NOTICE

The course "*Fundamentals of Environment*" (Code: WLBLVA 5001), offered under the Value-Added Course (VAC) category in the 5th Semester of the FYUP, was introduced for the first time through the SWAYAM platform, initiated by the Government of India.

To safeguard the academic career of the students who could not register for this course on the SWAYAM portal within stipulated time the University will be offering the same course in the upcoming Even (6th) Semester of the academic year 2025–26 as a one-time measure.

This special provision is applicable **only** to those students who missed the initial registration.
